

HELP NEEDED!

Voter Registration – from Arlene Gillett

The National Housing Trust would like to partner with us to organize a drive to register low-income people at their property, Pine Points Apartments in Coon Rapids. They would like to set up drives starting in August and continuing until the November elections. I would imagine that we could use quite a few people to help with these drives. I can set dates up with our contact person when we have some volunteers.

We will be going to area High Schools in September and October, doing student voter registration drives, and we can always use volunteers for that. I usually have a sign-up sheet that I pass around at the monthly meetings, but anyone can let me know if they are interested. The volunteers pick a high school where they would like to go, contact the social studies teacher or assistant principal to set up a date - once school starts in the fall.

Walker Plaza in Anoka also wants registration help from 2-3:00 on August 2nd.

If you can help, please email Arlene at gagillett67@gmail.com or phone her at 763.434.9567.

LWV ABC Candidate Forums

Lots of work to do here! Geri Nelson is organizing all these – take a look [at this link](#) and see where you can help out! Contact Geri to sign up: geri_nelson454@msn.com or 763.421.7334.

Serving as an Election Judge

Election Judges are needed across most of Anoka County. The new electronic poll books make voter sign-in and registration simple and quick. They also prevent mistakes, so things should move quickly. If you are interested in serving, contact your city clerk. [This link](#) leads to the Anoka County Elections website, where contact info for all city clerks is listed. This isn't an LWV function, but many Leaguer's serve as election judges – it's a wonderful way to see how well our elections work!
